

Horizon is a complete business communications service that provides an extensive range of fixed and mobile telephony capabilities via an easy-to-use web portal.

Gamma Horizon

Horizon is delivered as a one-stop, end-to-end solution, ensuring you'll never get caught in the middle between your voice provider and your data provider. This saves you both time and hassle. The service allows the administrator, to easily manage their environment whilst enabling your employees to maximise their productivity.

Features you can control

Horizon puts you in complete control of your phone system and comes with an extensive range of call handling and management features, all operated through an easy-to-use web interface.

Empower your staff with 'one number anywhere'

Horizon conveniently integrates your fixed and mobile capabilities so that you never miss a call. Callers need only dial one number to reach your desk phone and mobile phone simultaneously; ongoing calls can be moved seamlessly from one device to another without hanging up and a single voicemail box can be accessed from any device.

An on-demand service with no hidden costs

As Horizon is hosted on your behalf, you only pay for what you need on a simple per-seat basis.

Enables flexible working

Horizon helps businesses become more efficient by enabling flexible work environments through hot-desking, home working, and extending the service to mobile devices.

Range of fixed and mobile telephony capabilities

Key Benefits

Horizon is a true fixed / mobile converged solution

It's flexible and future-proof

As the system is cloud-based, there are no PBX maintenance costs

Lower call costs

Horizon offers all the cost benefits of IP telephony including free site-to-site calls and cheaper call rates. If you use Horizon together with Townley's mobile services, you benefit from free calls between your fixed and mobile devices.

Number Choice

You have total flexibility with the numbers you want to use. You can keep your existing numbers or get new numbers. Extend your business reach and use any local area number no matter where you are located. Have a London number in Leeds!

A Business Continuity solution

Unexpected events such as snow, floods, strikes or utility roadworks won't disrupt your business.

As Horizon sits in the cloud, the service provides business continuity features that allow your organisation to carry on making and taking calls, whatever the circumstances.
